NATIONAL SPEAKER  
CATHOLIC YOUTH MINISTER

Mary Bielski is the founder of ALL4HIM Ministries, a national ministry focused on evangelization of the Gospel message to Catholic teens. Through humorous skits and captivating presentations, Mary seeks to engage, ignite, and inflame hearts to live totally for God.

As a volunteer youth minister for ten years and founder of ALL4HIM Ministries in 2006, Mary has spoken to over 35,000 teens around the nation at numerous high school retreats and conferences including: Steubenville Youth Conferences, Life Teen—Inspiration, and countless parish and diocesan events.

Passionate, Relevant & Real. Mary's inspiring talks cut to the heart of the Gospel message and the beauty of our Catholic faith. In a world where teens often view the Church's message as boring, old-fashioned or distant, Mary presents our faith in a way that is relevant to teens' lives and culture. Inspired by

JPII's message on the New Evangelization, Mary believes we live in a spiritually significant time where God is awakening His Church. Her message is a call for every teen, every person, to an intimate relationship with Jesus.

Mary speaks on a variety of topics including Conversion, Prayer, the Mass, Holy Spirit, Sacraments and Chastity. She is available to host or emcee events, relating to any size audience with a personal touch and passionate energy. Using funny stories and engaging analogies, Mary's talks draw teens to the beauty of our Catholic faith, a deeper love for Christ, the Eucharist, and the universal call to holiness.

A graduate of Marquette University with a double major in Theology and Psychology, Mary currently lives in South Bend, Indiana, where she worked as a pharmaceutical sales representative until 2009. Last year, Mary felt God's call and took her leap of faith. She left her job and immersed herself full time in ALL4HIM Ministries. In March of 2010, Mary partnered with Life Teen, an International Catholic movement focused on leading teens closer to Christ.

Mary is currently working towards certification at the Theology of the Body Institute, in Exton, Pennsylvania. She has developed a series of workshop to bring this message to your teens in a more tangible way.

Mary is available to come to your parish and/or diocese to share a message of Christ's love.

## **TESTIMONIALS FROM PROFESSIONAL MINISTERS**

"I have worked side by side with Mary at several conferences and have seen that she is the real deal, a real disciple. Her ministry comes from her prayer, reliance on the Holy Spirit, communion with the Church, and a deep connection with the human condition. In ways humorous and profound, she calls audiences to holy living and makes us really want to go with her."

Fr. Tim Hepburn, Campus Ministry, Georgia Tech  
Archdiocese of Atlanta

"Mary Bielski is one of the most gifted speakers in the Church today. Her passion for Jesus is evident in her life and in her ministry. Mary has a unique ability to communicate the Gospel in a relevant manner as well as to draw people into a deep encounter with God. There is no doubt that she is a true gift and blessing in the Church."

Paul George  
Director/Co-founder, Adore Ministries

"In my over ten years of ministry, having attended countless teen retreats, conferences, and youth rallies, Mary Bielski was the best women's chastity speaker I've encountered. Eight months after our diocesan retreat, my teens continue to talk about Mary, the content of her talk, and how it impacted them. Mary was easy and fun to work with, engaged teens from the moment they walked in the door, and challenged them to look honestly at themselves. Most of all, in sharing her heart, Mary shared the infinite love of God in such a way that inspired teens to open themselves to the Lord."

"I heard Mary speak last weekend. Her women's talk really hit me hard! I feel like I have just been 'going through the motions' these past years. Her talk sparked something in me, and reminded me that everything we do is for HIS GLORY. After this weekend, I really want to offer my life to God."

Tori, 18 years old

"Mary is so real, not condescending, and she didn't just quote bible verses at us. I can't thank her enough for what she has done. She helped me get God back into my life."

Heather, 17 years old

"Mary's talk changed my life this weekend! I used to look at myself and never saw someone beautiful. Listening to the things she said made me love myself... This is the start of my new beginning... ## TALK TOPICS

**1. Jesus Christ, Super Star:** In a world of rock stars, celebrities, and entertainment news, this talk is an introductory talk on the ultimate rock star: Jesus Christ. It uses an analogy placing teens at a rock concert with Jesus. This talk unwraps the gospel message that through Christ's death we have been purchased and have an ALL ACCESS pass to God. Thus, our call is not to just go to the concert, but to go BACKSTAGE and meet this rock star face-to-face. It is a call to an intimate relationship with Jesus.

**2.The Unchanging Love of God the Father:** In our constantly changing world of the internet, television, and nonstop motion, how do we fathom the love of our God as UNCHANGING? No matter what relationship teens have with their earthly father, this talk specifically unpacks the gospel message of God as the ultimate "Father" whose UNCHANGING love is calling us into constant relationship.

**3.The Holy Spirit: Fire, Wind, Water...a Dove???** The Holy Spirit is often a misunderstood person of the trinity. As our greatest advocate, power and strength, the Holy Spirit breathes life into our faith and the Church. This talk helps teens understand the mystery of the Holy Spirit and His role in our lives.

**4.Mary, Our Mother** Mary is the mother of God, the New Eve, Ark of the New Covenant, our Model and Mother. This talk brings to life not only the theology of Mary within our Catholic faith, but also the heart of Mary as mother, OUR MOTHER.

**5.Women's Chastity Session: Getting Down with Jesus** \*\*\*My most requested talk.\*\*\* This talk is for the ladies, but can be tailored to a co-ed audience. Focusing on the virtue of chastity as being more than just "no sex," this talk aims to show a fuller picture of our identity as women in Christ, and it exposes the lies the world offers regarding a woman's body and her sexuality. Through funny stories and compelling witness, this talk gives a message of hope for purity and freedom found in the love and power of Jesus.

**6.An Introduction to the Theology of the Body: Naked Without Shame** This talk presents the two hottest topics on the planet for teens: God and sex. Pope John Paul II "marries" these two topics (subjects?) through his compelling vision for love and life. Using a mix of real-life examples, personal stories, and references relevant to teen culture, this talk introduces teens to the Theology of the Body and helps them answer questions they have about their own bodies, sexual morality, and their unique call to greatness.

**7.Theology of the Body: Naked Without Shame (Workshop Series)** Created for college students and young adults, this three-part series unpacks the key concepts of Pope John Paul II's teachings on the Theology of the Body. Using PowerPoint slides and personal witness, these workshops dive deeper into the teachings and structure of the Theology of the Body. It provides and defines original terms, scriptural references, and an overview of JP II's "Original," "Historical" and "Eschatological Man." This talk is perfect for those who want a greater understanding on what JP II describes as the "adequate anthropology," the vision and fulfillment of the human person.

**8.Living Justice, Living Mercy:** Matthew 25 Three billion of the world's population struggle to survive off of less than 2 dollars a day. Millions of people die of starvation, without homes or clean water, while I sip my Starbucks latte. In Matthew 25, the words of Jesus are very clear: We are called to be the hands and feet of Christ in our world. What does solidarity with the poor mean? And how do we respond as Catholics? This talk invites us into a journey with Christ's heart in service with and for the poor.

## TALK TOPICS

**9. Community:** The Mystical Body of Christ “We are one body” is more than a song we sang in grade school or church. We live as part of a true MYSTICAL body, the Church. This talk describes the meaning of being part of a church body and our call to serve that community with our individual gifts.

**10. Prayer: Staying Connected:** One of the most essential and yet challenging parts of a young Catholic's life: PRAYER. What is it? Why is it so important? And most of all, HOW DO WE DO IT? This talk walks through a personal journey of prayer. Taking away the “thou arts” and other fancy words, this talk invites teens into an authentic and intimate prayer experience that is practical, personal, and can be lived out in their daily life.

**11. Becoming a Vessel of God's Love:** Starbucks cups, round mugs, tall vases-- we are all cracked vessels. God wants to fill us and use us in a world that is in need of His Gospel message and love. This talk is about how the love of Christ transforms us into the face of Christ in the world today.

**12. Eucharist & The Mass: True Body, Blood Soul and Divinity:** THE MOST AMAZING AND PROFOUND GIFT... The source and summit of our faith...The Eucharist!!! Through exploring the meaning of the Bread of Life Discourse (John 6) and sharing person experience, this talk dives into a deeper understanding of the mystery of the Eucharist and the beauty of the mass.

**13. Will You Let Him Wash Your Feet? A Call to Confession:** This talk walks through the theological understanding of confession, an often misunderstood sacrament in our Catholic faith. Why do we go to confession and how can this sacrament bring us to a deeper experience of forgiveness, humility, and grace? This talk is an invitation to open your heart to the gift of this beautiful sacrament and allow our Savior to wash your feet.
